

This form is intended only for people who do not wish to submit credit card details online. If you are concerned about submitting your details through the internet please rest assured bmj.com uses a secure server. bmj.com online ordering service uses the highest standard encryption technology to protect your credit card number and personal details, making it as safe as purchasing by telephone.

Subscribing online reduces costs, helping keep subscription prices low for you and other users. Faxing this form will require manual processing, so your subscription will not be active immediately. If you require instant access to bmj.com you need to subscribe online using our secure server at subscriptions.bmjgroup.com
